Everyone can seek the Lord for help to grow in His love and grace, and develop the potential He put within them. It takes spending time with the Lord in His WORD. Bible Foundation publishes Bible readings to help, and shares resource information, and networks with individuals and organizations globally to gather and move Bible materials. Everyone can help.

Many ministries on the front lines get Bible materials, as the Lord enables. Reports come in of thousands of people coming to faith in Christ. Requests come in for thousands of Bibles, portions, and reference works. Please pray the Lord will raise up many more to labor for His glory.

Many are blessed by those inspired to do good and help. A lady recently donated \$6,000.00 so 3,000 ministry Bibles could be purchased. Most of those went to Tanzania in Africa. The Bible portions (in English) are printed on 24 sheets of 3x5 inch paper with 48 Scripture readings. They present the core of the Bible, the heart of God, and what life in Christ is. The current press run is for 20,000,000 sheets. They go around the world and create a demand for Bibles.

Requests keep coming in and with all that is going on, it is getting more costly to mail and ship the Scriptures. One request we received recently was from Africa. A pastor wrote that his home and church were burned and all their Bible materials were destroyed. He asked for more. With all the request that come in, one was from Afghanistan. They want English Bibles and have a shipping agent in the USA that can ship them.

The Lord inspired all Scripture so we could know Him and walk in His love and not sin. Encourage one another to meditate in Scripture. Ponder all the evil the Lord used to get Joseph to Egypt to save the world from starvation. Joseph said to his brothers they meant it for evil but God meant it for good.
